

## **Karen B. Moore**

Karen B. Moore is one of TCC's most devoted friends. She has pursued her passion for learning and helping others receive an education on behalf of TCC for more than 15 years.

Karen began her tenure at TCC in 2000 as a member of the TCC Foundation Board of Directors. She rose to the role of board president and chaired the College's first capital campaign, which secured \$10 million in support for TCC. In 2007, Karen stepped down from the Foundation Board and was appointed by the governor to the TCC District Board of Trustees, where she still serves today. Today she also serves as chair of the TCC. We Rise campaign.

Over the years Karen and her husband Richard have established the Dream Big Scholarship for those in the TCC GED program, as well as a scholarship for returning students. Earlier this year the TCC Veterans Success Center was renamed in their honor after their generous donation. This gift also resulted in the creation of the Moore Veterans Leadership Academy.

At Tallahassee Community College we are proud to call Karen B. Moore one of our own.
