

Danny Shrine

Danny Shrine, one of 7 children, moved to Tallahassee in 1989. While working his way through college, he founded Full Press Apparel in 1997 and graduated from TCC in December of that year. Through one of his first customers, Danny met his wife Tracey and they were married in 2001. Tracey joined Danny as Co-Owner in 2006.

Although Full Press works with clients nationwide, Tracey and Danny are first dedicated to their local community. Full Press has been recognized as Tallahassee Chamber of Commerce Business of the Year (2015), multiple time winner of Leon County Schools Partner of the Year, Best of Tallahassee, and Tally Awards. Full Press provided critical

funding to launch TCC's Digital Rail Project and they financially support programs at FSU & FAMU as well.

Danny is a member of Tallahassee Sunrise Rotary, serving in many capacities including President 2007-2008. He is on the TCC Foundation's Board of Directors, Finance & Investment Committee, and has chaired the TCC Alumni & Friends Advisory Council for two terms. Danny is a member of Leadership Tallahassee, Class 36. He serves on the Board of Directors of the Rotary Youth Camp and will join the Tallahassee Chamber of Commerce Board next year.

Danny enjoys traveling and spending time with Tracey and their sons Aiden and Brendan enjoying sports (especially FSU), cooking together and playing games. The family has hosted foreign exchange students and look forward to traveling abroad to experience their cultures.
