The mission of the Tallahassee Community College (hereafter TCC or the College) Athletic Department is to provide student-athletes with the highest quality educational opportunities, resources, services and facilities needed to achieve academic and athletic excellence while adhering to both National Junior College Athletic Association (NJCAA) and Florida College System Activities Association (FCSAA) guidelines. In doing so, the TCC Athletic Department will successfully engage all members of the campus community while also serving as an ambassador for the College – locally, regionally and nationally. TCC participates in baseball, softball, and men’s and women’s basketball.

TCC's Intramural Sports program provides all students, staff and faculty the opportunity to participate in fun recreational sports and activities. These include a variety of team and individual sports and special events, including flag football, basketball, indoor and outdoor soccer, volleyball, and dodge ball.

Participants are either recruited by the respective sport’s head coach and staff or make the team through walk-on tryouts. In order to be eligible for participation, student-athletes must meet eligibility requirements, as established by both the NJCAA and FCSAA.

Both the NJCAA and FCSAA publish eligibility guidelines for prospective and current students. A copy of the NJCAA’s “Eligibility Rules of the National Junior College Athletic Association” pamphlet is available under the Eligibility Corner tab on [www.njcaa.org](http://www.njcaa.org). A copy of the Council for Athletic Affairs handbook is available on FCSAA’s website. The handbook is available under the Resources tab on [www.thefcsaa.com](http://www.thefcsaa.com).

6. A schedule is automatically generated based on the availability of the teams, which was selected when the team was created.
7. At the first game the participant will sign a waiver of liability to participate in the sport and league they signed up for online.
8. The participant then must bring their TCC ID, with the correct semester sticker, to every game to validate being a student and prove he/she is a current TCC student.
