

# Discover Programs: SuperStrong Assessment

Access the assessment at [bit.ly/TCCSuperStrong](https://bit.ly/TCCSuperStrong)

<p>After completing the SuperStrong assessment, your results will show an Interest Code. Write your Interest Code below.</p>	<p>Each theme in your Interest Code is described in your results. Read through each description.</p>
<p>My Interest Code (Top Three Interest Themes)</p>	<p>Which descriptions are most meaningful to me?</p>
<p>Example: CIE (Conventional, Investigative, Enterprising)</p> <p>_____</p>	<p>Example: Conventional and Enterprising. I enjoy leading, motivating others, and taking classes that involve working with numbers and data.</p>

There are Interest Themes and Academic Communities that share characteristics. It's helpful to consider which Academic Communities align with your interests.

Programs include College/University Transfer Tracks, A.S. Degrees, Bachelors Degrees, Workforce Training and Certificates

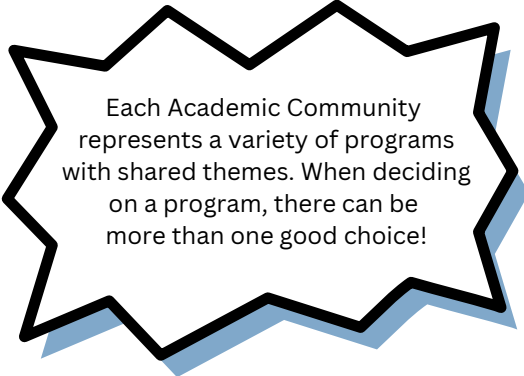

<p>Explore TCC programs by Meta-Major. Meta-Majors are Academic Communities that represent programs with shared themes. Put a star next to the Academic Communities you are most interested in below.</p>	<p>Review the list of programs within each Academic Community that you are most interested in. Identify at least 3-5 programs that you'd like to learn more about and list them below in order from most interested to least interested.</p>
