Providing a learning environment that prepares students for success in a global economy by offering higher education pathways, workforce opportunities, and civic engagement experiences.
Commencement Ceremony

Thursday, May 4, 2023
7 p.m. | Donald L. Tucker Civic Center
Dear Graduates,

On behalf of the District Board of Trustees, administration, faculty, and staff of Tallahassee Community College, I would like to extend my heartfelt congratulations to you, the Class of 2023. We are so glad to be celebrating with you!

You have worked so hard to get here. You should be proud, as should your family, friends, and anyone who helped you along your educational journey. I share your pride and excitement and am confident that the experience and skills you gained while here with us at TCC will serve you well going forward. Most of all, I hope you have learned that no matter what life throws your way, you are more capable of overcoming it. The bigger the challenge, the greater the opportunity.

As you head off to make your mark on the world, know that it has been a privilege to have you as a part of our community. Our College has benefited from your engagement, your contributions to your classes and programs of study, and we are grateful you chose TCC. Though you may be leaving our campus, remember that our doors will always be open to you.

Congratulations once again on your momentous accomplishment, and best wishes in all of your future endeavors.

Sincerely,

Jim Murdaugh
President, Tallahassee Community College

Student Speaker

Tommy McCall
President, Student Government Association

Tommy McCall is a Tallahassee native and member of the Class of 2023. He attended North Florida Christian School before enrolling at TCC in the Summer of 2021. In addition to serving as president of the Student Government Association, he is a member of the Honors Program, Black Male Achievers, and the Scholars Program, and was named a 2023 DREAM Scholar by Achieving the Dream. Tommy is planning to transfer to Florida State University to study Sports Management.
Dr. Kevin D. O’Farrell

Chancellor, Division of Career and Adult Education
Florida Department of Education

In his role as Chancellor for the Division of Career and Adult Education for the Florida Department of Education, Dr. Kevin O’Farrell provides strategic leadership to the career and technical education programs, workforce education, apprenticeship programs, and adult education throughout the State of Florida. This involves all the sub-baccalaureate curriculum, training, and related funding at the state’s 28 Florida Colleges, and 45 Technical Colleges and Centers. He is the state director for the Strengthening Career and Technical Education for the 21st Century Act (Perkins V) and chairs or serves on numerous statewide leadership boards including the State Apprenticeship Advisory Council, the Credential Review Committee, CareerSource Florida, and the Talent Development Council.

Dr. O’Farrell has more than 17 years of experience in higher education as an instructor, executive administrator, and state leader. In addition to his service in higher education, he has worked on several economic development and workforce initiatives including talent pipeline development and curriculum alignment with workforce needs.

His academic leadership experience includes directing state policy, government and legislative affairs, college operations, planning, budgeting, advocacy, fundraising, and community and industry partnerships. He has overseen, directed, and coordinated state and regional accreditation, articulation between the secondary and post-secondary sectors, university partnerships, developmental education, instruction, staff and professional development programs, and academic administrative affairs. He most recently served as Provost for the two-site Pasco-Hernando State College Porter Campus.

Dr. O’Farrell has taught on government, public policy, social science, and civic engagement and has spoken at numerous conferences on issues related to workforce strategy, student success, and community engagement, and his research interests include globalization, leadership, power dynamics, and cultural and societal stability. He has received numerous awards for this work in the community including Business Leader of the Year, Chairman’s Award, Excellence in Inclusivity, and Excellence in Collaboration (North Tampa Bay Chamber of Commerce), and Outstanding Leadership in the Community (United Way of Pasco County).

Dr. O’Farrell attended Valencia Community College and earned a B.S. in Communications from Toccoa Falls College, an M.A. in Political Science and an MPA from the University of Central Florida, and a Ph.D. in Curriculum and Instruction with a focus on higher education policy and leadership from the University of South Florida.

An avid reader, runner, and gym-rat, he resides in Tallahassee, Florida with his wife, Kathryn, and three sons William, James, and Philip.
Academic Regalia

The graduates of Tallahassee Community College have a range of educational goals and accomplishments. Most of those who graduate tonight with Associate in Arts degrees are, or will be, furthering their education at four-year colleges or universities. Graduates who have completed their Associate in Science degrees or certificates in particular areas are prepared to begin careers and join the workforce. Tonight’s graduates have had many opportunities afforded to them during their time at TCC allowing them to accomplish their goals and excel in their studies. While we are not able to list all of the co- and extra-curricular activities, we do acknowledge and honor our graduates’ participation in a variety of academic teams, clubs, and organizations at TCC. Special recognition will be called for the following graduates:

- Bachelor of Science in Nursing, *Apricot Hoods*
- Graduating with Honors, *Gold Cords*
- Honors Program, *Gold Stoles & Medals*
- Phi Theta Kappa, *Gold Stoles & Medallions*
- Veterans, *Red, White & Blue Cords*
- Student Government Association, *Royal Blue and Gold Cords*

In medieval days, clothing not unlike that worn by the participants in today’s commencement was quite common. Modern academic regalia has evolved from the dress of medieval guilds and early religious orders. Members of the administration and faculty of Tallahassee Community College wear the colors of their alma maters.

The color of the velvet trim on the academic hood represents the subject of the highest degree held by the wearer. Additional velvet trim indicates a doctorate. Sleeve style also indicates the type of degree held. A long, pointed sleeve indicates a bachelor’s degree. Master’s gown sleeves drape freely to the wrist, extending back in the classic crescent shape. A round, open sleeve identifies a doctoral degree.

Our alma mater we hail you

Sing we the old refrain

Your sons and your daughters all love you

Our voices all praise your name

For ever true to the blue and gold

Our college colors we’ll uphold

Always for thee, we’ll ever be

Loyal to TCC
