

2014 – 2015 EDUCATION META-MAJOR

ASSOCIATE IN SCIENCE (AS) IN EARLY CHILDHOOD DEVELOPMENT, EDUCATION & MANAGEMENT

Meta-majors are academic pathways to help you meet your educational goals. Included below is a sample schedule for a full-time in college student on an Associate of Science degree track in Early Childhood Development, Education and Management. While you may not be a full-time student, you are responsible for completing the “Mandatory Hourly Requirements” on the right. Registration holds will be placed on students who do not meet the “Mandatory Hourly Requirements” and those students will be required to see an advisor. Summer semesters are not included in this plan but are an option for taking courses. Please be advised that not all types of financial aid will cover the cost of summer semester courses.
