

2015 – 2016 HEALTH SCIENCE META-MAJOR ASSOCIATE IN SCIENCE (AS) IN DENTAL HYGIENE DEGREE MAP

Meta-majors are academic pathways to help you meet your educational goals. Included below is a sample schedule for a full-time in college student on an Associate of Science in Dental Hygiene. While you may not be a full-time student, you are responsible for completing the “Mandatory Hourly Requirements” on the right. Registration holds will be placed on students who do not meet the “Mandatory Hourly Requirements” and those students will be required to see an advisor. Students are encouraged to take Summer classes when available. Please be advised that not all types of financial aid will cover the cost of summer semester courses. Please note: This is a limited access program. Meeting the minimum requirements does not guarantee admission into the program. Please visit www.tcc.fl.edu/health for information and deadlines. Courses noted below with an asterisk (*) may be completed either in advance of admission or on the timeline listed below.
