

2016 -2017 DEGREE MAP ASSOCIATE IN ARTS (AA) WITH AN EMPHASIS IN EDUCATION

Meta-majors are academic pathways to help you meet your occupations and educational goals. Included below is a sample schedule for a **full-time college student** on an Associate in Arts (AA) degree track who intends to transfer to a four-year college or university with a major related to Education. The suggested courses are based upon the common pre-requisites needed for majors in this meta-major. You are responsible for completing the "Mandatory Hourly Requirements" on the right. Registration holds will be placed on students who do not meet the "Mandatory Hourly Requirements" and those students will be required to see an advisor before the hold may be removed. Please be advised that not all types of financial aid will cover the cost of summer semester courses.
