

# Florida Public Safety Institute Update

**Board Workshop | March 2023**

# Infrastructure, Equipment and Scholarships

FPSI has benefitted from four infrastructure/equipment enhancements and thousands of dollars in student scholarships thanks to the **Heroes in Public Safety** program

2023

TALLAHASSEE COMMUNITY COLLEGE

# Driving Pads

\$13,000

- Utilized by all regional and state basic law enforcement training programs
- Potholes, uneven patches, and abrasive surface, resulting in wear & tear of equipment and safety concerns
- Repaired and resealed existing asphalt driving surface to extend the life of the training surface

2023

TALLAHASSEE COMMUNITY COLLEGE

# Defensive Tactics Classroom

\$15,000

- Each DT classroom certified by the Florida Department of Law Enforcement (FDLE) for serviceability
- Wear and tear of the flooring matting could lead to injuries
- Replaced floor mats in order to ensure safety and compliance

2023

TALLAHASSEE COMMUNITY COLLEGE

# Cardio Room

\$20,000

- Previous design did not have exterior access to support cross-fit type training
- Adding exterior access with walkway and awning
- Modernizes training programs and prevents wear and tear in mats in adjacent DT rooms

2023

TALLAHASSEE COMMUNITY COLLEGE

# Weight Equipment

\$2,000

- Several denominations of weights had become unserviceable or had gone missing
- Replaced weights and added additional storage racks for more robust training

2023
