I invite you to join Tallahassee Community College for your college experience in the United States. Our safe, beautiful campus is located in the capital of Florida, the Sunshine State. Each year students from around the world choose TCC. Our students enjoy our small classes taught by caring faculty. They make close connections with American and international peers in student organizations. We are very proud of our academic excellence and resources to help you succeed, including the International Services office. TCC is the top transfer school to Florida State University and Florida A&M University, and we have excellent transfer agreements with those universities and others.

We look forward to welcoming you to the TCC family.

Jim Murdaugh, President
Tallahassee Community College

Become great. Start here.
At TCC, you are surrounded by people who are focused on the future—just like you.

We provide the first two years of a bachelor’s degree, but our tuition is almost 50 percent less than a state university’s. Our academic excellence and support services will help you reach your educational goals in the United States.

**TCC has two types of visa programs:**
- F-1 Student Visa
- J-1 Exchange Visitor Visa
Steps to TCC

1. Complete an online application at GoToTCC.com.
   Choose option 6 on the application.

2. Send official transcripts, accompanied by a course-by-course high school evaluation by an accredited foreign credential evaluation service, to:
   Tallahassee Community College
   International Services, SU 242
   444 Appleyard Drive
   Tallahassee, FL 32304

   TOEFL or IELTS report:
   - TOEFL Computer-based 133
   - TOEFL Paper-based 450
   - TOEFL Internet-based 45
   - IELTS score 4.5

4. Submit a confidential financial statement, including a certification letter from a bank on letterhead.

Academics
Tallahassee Community College is one of the top community colleges in the U.S. Students who attend TCC get a great return on their investment.

Our award-winning faculty and smaller classes will ensure that you receive plenty of personal attention. We also offer free tutoring and other support at our Learning Commons. The STEM Center focuses on the success of students in science, technology, engineering and mathematics. And the Career Center provides resources to help our students find internships and jobs after graduation.

TCC was named one of the Top 10 community colleges in the nation based on student success rates, return on investment and low cost of attendance.

Scholarships*
Housing: Housing scholarship for one academic year, utilities not included.
ISS: Awarded to active members of the International Student Organization or volunteer at International Services events.
Florida Linkage Institutes (out-of-state tuition waiver program):
  • For students from Brazil, Canada, France, Israel, Japan, China, Mexico, West Africa, Costa Rica and Eastern Europe.
  • If awarded, student pays in-state tuition rates, which are lower than out-of-state rates.

*All scholarships are subject to eligibility and award.
The Top 10 Benefits of Attending Tallahassee Community College

1. No application fee and affordable tuition
2. Guaranteed transfer to one of Florida’s state universities upon successful completion of A.A. degree
3. One-stop-center for international students and scholars
4. Focus on teaching
5. Flexible English proficiency requirements
6. Small class sizes
7. Additional year of Optional Practical Training (OPT - one year of paid full-time employment)
8. Complete your four-year degree on TCC’s campus with our University Partners
9. Many internship opportunities
10. Experience U.S. culture

TCC Golden Guarantee
Our Golden Guarantee program offers guaranteed admission to Florida State University, Florida A & M University or the University of West Florida if you meet the milestones for your desired major and complete all degree requirements at TCC.

These specially designed programs offer customized advising focused on transfer to your university of choice, college success workshops, and opportunities to participate in university recreation programs and other offerings while you are still at TCC.
International Services
One-stop shop for international admissions, academics, career services and immigration.

Learning Commons
provides FREE tutoring and workshops, study rooms, and presentation equipment

Honors Program
offers scholarships, early registration, personalized advising and smaller classes

Internship Program
test drive your career in business, engineering, computer technology or many other fields

Unsure of your major or career path? Explore your future at the Career Center.

International Services
The International Services office (IS) is the focal point for the College’s international and foreign-born population. IS offers a wide range of support services, including admissions, immigration, personal and academic advising, career coaching, and multicultural events programming.

Advising
Dedicated international student advisors help our international students design schedules to balance school and life challenges while mapping out all required courses to meet their educational objectives.

Student Life
TCC was named engaged campus of the year among all community and state colleges in Florida. Our campus is full of life. Concerts, cultural events, athletics and intramural sports, festivals, theatre productions, art exhibits, and more make TCC a fun and enriching college. Plus, TCC has a variety of student clubs and organizations for all types of interests.
30 clubs and organizations including Model UN, ISO, Honors and STEM
Degree and Certificate Programs

TCC offers the Associate in Arts (A.A.) degree for transfer to a state university. The curriculum is aligned with the curriculum at Florida’s state universities, and your TCC advisor will help you stay on track so you can transfer into the program or major of your choice.

TCC also offers a variety of career programs. Two-year career programs award an Associate in Science (A.S.) degree. Most certificate programs take one year or less to complete.

Around Tallahassee

From state parks and skate parks to fine dining and food trucks, Tallahassee has something for everyone.

2015 All-America City Award Winner
Tallahassee was named one of the top college towns in the country by the American Institute for Economic Research.

Find Your Tallahassee

Nestled between FAMU and FSU you’ll find Gaines Street, the hub of arts and culture in Tallahassee. Gaines Street contains a lively mix of local restaurants, sleek apartments, vintage stores and eclectic shops.

College Town, Tallahassee’s newest district, features a vibrant nightlife. Only steps from Doak Campbell Stadium and Florida State, it is destined to become the heart of game day, fine dining and year-round festivities.

For info about housing near TCC, check out our interactive housing map on GoToTCC.com.

TCC is five minutes from FSU, ten minutes from FAMU, and a short drive from some of the most beautiful beaches and forests in Florida.
TCC offers many specialized programs and facilities to meet your educational and career goals.
