## ☐ Step 1: Apply for admission

- ✓ Apply for admission to TCC using our online application at [www.tcc.fl.edu/apply](http://www.tcc.fl.edu/apply)
- ✓ After you submit you will receive a confirmation page with your TCC identification number, email address, and password. Keep this page for your records as you will need this information to log in to TCC [Workday](#) and access your TCC email.

## ☐ Step 2: Submit residency declaration

- ✓ Submit two [residency documents online](#) (e.g., driver's license, vehicle registration, and/or voter's registration card) that reflect an issue date of at least one year prior to the first day of class for the semester you plan to attend. **Note:** Applicants under the age of 24 are required to submit a parent or legal guardian's documents in order to satisfy their residency requirements.

## ☐ Step 4: Request high school transcript or GED test scores

Request your official high school transcript or GED test scores to be sent to TCC. Admission to the college requires a standard high school diploma or GED. It is important for your records to be sent as soon as possible so that information on your transcript can be used to assist with your first-semester course scheduling.

- ✓ Send official ACIE, AP, IB, and CLEP scores.
- ✓ Dual enrolled students must submit official college transcripts from the college where dual enrollment credit was earned.
- ✓ Home-educated students must complete the [Affidavit of Home School completion](#) form.

## ☐ Step 5: Request college/university transcripts

Request any and all college/university transcripts, if applicable. Transfer students are required to submit official college transcripts from all colleges/universities attended.

## ☐ Step 6: Review placement testing information

Students who meet the following criteria are exempt from placement testing:

- A student who entered grade 9 in a Florida public school in the 2003-2004 school year, or any year thereafter, and earned a Florida standard high school diploma, or a student who is serving as an active duty member of any branch of the United States Armed Services.
- Students with ACT or SAT scores at or above the state minimum: ACT: English 17, Reading 19, Math 19; SAT Reading 24, Writing 25, Math 24. Test results must be less than two years old.
- An approved alternative method may be used to assess readiness for college-level work.

Students who need to take an assessment test for academic advisement may contact the Testing Center at [testingcenter@tcc.fl.edu](mailto:testingcenter@tcc.fl.edu) to receive information on how to take the PERT.

## ☐ Step 7: Complete TCC's new student welcome to get started

Complete [New Student Welcome to Get Started](#). TCC is offering in-person and virtual advising meetings, a self-paced *Connect2Complete: New Student Orientation* course, and New Student Welcome Sessions throughout the summer.

During your advising meeting, you will speak with a Career and Academic Advisor who will assist you with course planning/registration. The *Connect2Complete* course is a set of self-paced, virtual modules that provide an overview of significant facets of TCC life. The New Student Welcome sessions give new students a chance to meet faculty and key College staff to help students get oriented to campus and the first day of class. All three new student activities are to be completed prior to Fall Convocation and the first semester. [Click here to learn more.](#)
