

Swapping or Dropping a Course

Once you have registered, you can make changes to your schedule including swapping or dropping a course. You may swap or drop a course up to the **second** day of classes with no impact. After that point, you may drop a course up to the **fifth** day of classes with no impact. If you must remove a course following the fifth day of classes, you will need to withdraw from the course, which will appear on your transcript.

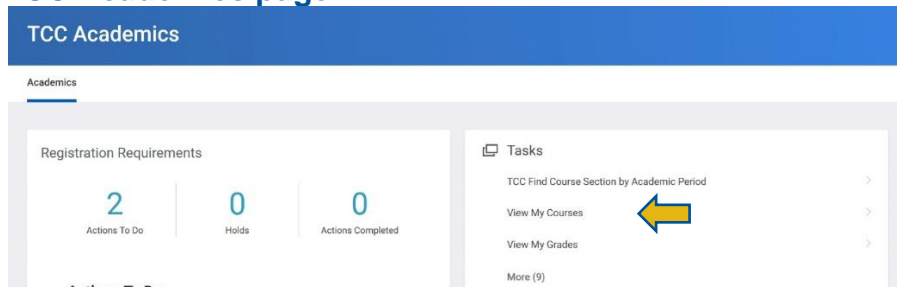

After logging into Workday, follow the steps below to carry out each process.

SWAPPING A COURSE

Select “TCC Academics” (see arrow below) from the Your Top Apps pane on the right side of your home page.

Select “View My Courses” (see arrow below) from the Tasks pane on the right side of the TCC Academics page.
