MEMORANDUM

TO: District Board of Trustees
FROM: Jim Murdaugh, President 
SUBJECT: Construction Status Report

Item Description

This item describes the status of various construction, renovation, remodeling and site improvement projects at all Tallahassee Community College locations for information for the Board of Trustees.

Overview and Background

Main Campus: Construction of Phase One of the Dental Hygiene Renovations is complete, and the department has commenced operations in the new space. Construction of Phase Two of the Dental Hygiene Renovations is underway, and will be complete for use in Fall term. Two small health and safety related projects, which include installation of a new fire alarm monitoring system and replacement of existing locksets, will continue into the month of June.

Wakulla Environmental Institute: Phase III Construction Documents will be submitted to the Board as a separate agenda item. The status of the U.S. Economic Development Administration infrastructure grant is still unknown.

Florida Public Safety Institute: Construction of the new sanitary connection for the Range Storage Building and the new water heaters at the Defensive Tactics Building are both complete.

Gadsden Center new facility: The Board authorized TCC to develop a contract to accept a parcel from the City of Quincy at the last meeting. This work is currently in progress.

Past Actions by the Board

None

Funding/Financial Implications

This is a monthly update on the status of various construction and renovation projects undertaken to support the educational mission of the College. No further action is necessary on the part of the Board at this time.
