## **INTRODUCTION**

The Tallahassee Community College's Salary Schedule is established annually pursuant to s.1001.64(18), F.S. The President recommends the Salary Schedule to the College's District Board of Trustees ("Board") at the June Board Meeting and, once adopted, it becomes the sole instrument used to determine employee compensation and supersedes all rules, handbooks and other policies. The Salary Schedule is not intended to create and/or be interpreted as a contract of employment nor does the Salary Schedule give employees the right to or an expectancy of continued employment.

## **PURPOSE**

This Salary Schedule is designed to meet the following objectives:

- Ensure compensation actions are administered in a manner to comply with state and federal legal requirements;
- Enhance the College's ability to attract and retain qualified faculty and staff;
- Ensure fair treatment of employees through internal consistency;
- Provide a clear and concise reference for fair compensation decisions;
- Serve as a guide regarding employee salaries so that the compensation structure remains responsive to changes in the marketplace, the organization and funding availability.

## **ACCREDITATION**

Tallahassee Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award the Associate Degree. The Bachelor of Science in Nursing (BSN) degree program is accredited by SACSCOC and the Accreditation Commission for Education in Nursing (ACEN).

## **EQUITY STATEMENT**

Tallahassee Community College is committed to an environment that embraces Diversity and Inclusion, respects the rights of all individuals, provides equal access and equal opportunity, and does not discriminate against any person on the basis of age, color, disability, ethnicity, gender identity, genetic information, marital status, national origin, pregnancy, race, religion, sex, sexual orientation, or veteran status in its programs and activities.

The College has designated Renae Tolson, Director of Business Process Improvement, as the College's Equity Officer and Title IX Coordinator. Ms. Tolson is located in the Administrative Services Suite, room number 239 on the second floor of the Administration Building.

Any student, employee or applicant who believes they have experienced discrimination, sexual misconduct or harassment of any kind should report their concerns to the College's Equity Officer & Title IX Coordinator directly at (850) 201-6074 or [tolsonr@tcc.fl.edu](mailto:tolsonr@tcc.fl.edu) or the Office for Civil Rights of the U.S. Department of Education.

## **GENERAL PROVISIONS**

### **Effective Date**

~~July 1, 2019~~ October 14, 2019

### **Budgeted Personnel Costs**

The budget for salaries and benefits is approved annually by the Board as a major component of the College's Operating Budget. The budgeted costs are based on the annual amount required for each authorized position filled or to be filled. Throughout the year, the President and the Vice President of Administrative Services & Chief Business Officer are responsible for maintaining the salary budget. Funding provisions within this Salary Schedule are subject to the maximum identified by the President. Budgeted compensation for those individuals identified in s.1012.885 and 1012.886, F.S. are considered budgeted from appropriated state funds up to the allowable statutory limit, and any budgeted compensation in excess of said statutory limit considered budgeted proportionally from other college operating revenues sources, such as tuition and fees and other available funds.

### **Salaries**

Salaries established for positions are based on 1.0 full time equivalent (FTE) unless otherwise noted. Salaries are adjusted for .50 or .75 FTE and eligible benefits are prorated as indicated in the College's policy manual.

### **Salary Increases/Changes In Salary**

Salary increases will be determined as part of the annual planning and budgeting process. The President will recommend a salary increase proposal to the Board for approval and will subsequently notify employees of the Board's decision. Salary increases are contingent on availability of funding and are largely dependent upon the allocation of state funds and the College's budget priorities.

Probationary employees are not eligible for salary increases until the first of the following month after non-probationary status is obtained.

### **Maximum of Salary Range**

When an employee reaches the maximum in salary range, a one-time non-recurring pay adjustment (equivalent to the pay increase) may be authorized when a salary increase is approved by the Board. The employee's base rate of pay will remain unchanged. Supplemental payments and payments for instruction, when not part of regular duties, are in addition to regular earnings, and may allow an employee to exceed assigned salary range.

### **Pay Dates**

All College employees shall be paid on a monthly basis. Pay dates for all employees shall be the last College business day (Monday - Friday) of each month, unless otherwise established by the Vice President of Administrative Services & Chief Business Officer.

If an error has been noted in regards to wages, compensation, initial or promotional placement and is discovered, the wages of that employee will be adjusted accordingly. In the case of underpayment, the employee's pay rate will be adjusted in the present year. In the event of an overpayment, the College will collect all monies owed via payroll deduction or through the College's collection process if for a former employee.

### **Addition of Positions and Job Classifications**

Additional job titles, job descriptions and classifications may be developed as needed based upon the recommendation of the Executive Vice President & Provost or appropriate Vice President and Human Resources, with approval from the President. It is not necessary for the Board to approve new job titles, job descriptions and classifications.

### **Contracts and Grants Personnel**

The College shall adhere to the established classification plan, salary schedules, and appointment procedures when appointing grant personnel. Exceptions to the College's standard practices must be recommended by the Director of Financial Planning and Sponsored Programs, Vice President of Administrative Services & Chief Business Officer, Human Resources Director and approved by the President, and documented fully in the personnel files of the concerned employees.

When a new position is grant-funded, a job description is developed by the supervisor and Human Resources. Based on the duties, Human Resources places the position at the appropriate classification on the Salary Schedule; the salary may be specified by the grant. College funding beyond the grant period is determined by business necessity and other factors. Employees holding a grant-funded position are required to record grant-funded hours separately from College-funded hours.

The President may designate specific college closure periods that may/may not coincide with the terms of a specific grant. College funding outside of days identified as regular scheduled holidays or regular workdays identified by the grant-funded position is determined by the terms/conditions of the grant, business necessity and/or other controlling factors.

Board approved salary increases for personnel employed under federal/state grants will be granted only if the increases are budgeted in the grants.

**Wireless Allowance Plans**

Approved requests for wireless allowance plans may be made at any time during the fiscal year in Workday. Plans are determined on a year-to-year basis and may be rescinded and/or modified by College management. This allowance does not constitute an increase to base pay and will not be included in the calculation of percentage increases to base pay. It also is not reportable wages for College paid retirement plans. It will be counted as earned income for W-2 purposes.

**Terminal Pay**

Shall be calculated and determined in accordance with College Policy or the controlling terms and conditions of a contract and/or grant.

**Other Provisions**

Under special circumstances, the Board reserves the right to employ individuals in established positions not covered by the salary schedule. Any or all provisions of this schedule may be waived upon appropriate action by the Board. Changes to the approved Salary Schedule may only be made by the Human Resources Director with approval from the President or Vice President of Administrative Services & Chief Business Officer.

To attract and/or retain faculty and staff, the College is authorized to make salary adjustments beyond the normal salary schedules when specifically authorized by the President. During the contract year, the President is authorized to offer special contract terms to qualified faculty and staff as additional incentive for recruitment and/or retention of these employees. In instances where the marketplace salary or promotional placement for certain positions is beyond the maximum of the approved salary range or initial placement on the Salary Schedule, the President may recommend appropriate salary figure. Documentation must be provided to Human Resources by the requesting department that supports the adjustment.

## **SALARY STATEMENT**

The Board determines the President's salary. The President, in turn, determines the salaries of his direct reports. As shown by Appendix B, all Classified Staff positions are assigned to a specific salary range based upon a fully documented assessment and approval from the President and Board.

### **Exempt and Non-Exempt Status**

The federal Fair Labor Standards Act (FLSA) provides guidelines on employment status, child labor, minimum wage, overtime pay and record-keeping requirements. FLSA establishes wage and time requirements, sets federal minimum wage that must be paid and mandates when overtime must be paid. Employees not covered by the overtime provisions of FLSA are considered "exempt" (E), those covered by FLSA overtime provisions are "non-exempt" (NE).

Exempt (E) employees are those individuals who are exempt from the overtime provisions of the FLSA because they meet the requirements of the executive, professional, administrative or computer exemption.

Non-exempt (NE) employees are not exempt from overtime provisions of the FLSA. Such employees are entitled to receive overtime for all hours worked beyond 40 in a workweek. Alternatively, provisions for public employers allow for hours in excess of 40 hours per week to be paid in the form of compensatory leave.

### **Essential Personnel**

In the event of extraordinary situations, the college may suspend normal operations and classes in whole or in part. In such instances, staff designated as essential personnel must fulfill duties to: (1) ensure the continuation of critical College operations; (2) attend to the needs of students and other members of the College community; and (3) protect the College's assets. Essential personnel may be exempt or non-exempt under FLSA standards.

When the desired effective date of an appointment predates the next regularly scheduled Board meeting, the President or his designee is authorized to tentatively approve the appointment. Final authorization is subject to approval from the Board.

**Executive/Senior Management** - The starting salary for persons in an Executive Position of Vice President, Executive Vice President & Provost, Assistant Vice President or Associate Vice President shall be determined by the President.

**Faculty and Non-Teaching Faculty** – Matters related to full time Faculty compensation are covered in the Collective Bargaining Agreement. The Collective Bargaining Agreement can be accessed by: [TCC - UFF Contract](#).

### **Verification of Experience and Education**

Previous work-related experience considered in the starting salary determination must be verified by the previous employer(s) on letterhead or on a form provided by the College. Proper verification shall be submitted to Human Resources prior to the employee's appointment and shall include the dates of employment, job title, hours worked weekly, and an authorizing signature.

If verification of previous work-related experience or education is not received by Human Resources prior to hiring, the employment offer may be rescinded.

Starting salary will be determined by employment verifications received at the time of hire.

### **Transcripts/Certificates/Licensures**

For all positions, copies of transcripts, certificates or licenses are required prior to hiring approval and official transcripts are required within thirty (30) days of hire date. If an individual fails to provide an official transcript to Human Resources within 30 days of their original appointment, the employee may cease to receive compensation and necessary action may be taken to terminate the employee.

## **EDUCATIONAL ATTAINMENT/DEGREE CHANGE**

A non-probationary employee who obtains a higher-level degree after being employed beyond the minimum degree required for their position from a regionally accredited institution, shall be eligible to receive a 2% salary increase to their base pay. Provided funds are available in the departmental budget, the salary increase shall be effective the first month following receipt of the official transcript by Human Resources. It is the employee's responsibility to obtain and submit the official transcript to Human Resources.

Credit for educational attainment shall be granted only when an official transcript reflecting the degree is received in Human Resources. Original transcripts shall be placed in the employee's personnel file in Human Resources. Processing of the increase will begin upon receipt of the required documentation and will be effective with the next available pay period.

## **TEMPORARY ASSIGNMENTS**

Upon recommendation by the Executive Vice President & Provost, appropriate Vice President or Executive Director and Human Resources, employees may be given a temporary work assignment which encompasses duties and responsibilities of a different and advanced nature for a specified, limited period of time. After working 2 weeks (10 consecutive business days), an employee may be given a pay supplement of up to ten percent (10%) with the approval from the Executive Vice President & Provost, appropriate Vice President or Executive Director and Human Resources. Temporary assignments may be rescinded at any time and do not constitute a promotion. During this limited period of assignment, this pay supplement will not be added to the employee's base pay and will not be included in the calculation of percentage increases to base pay. It also is not reportable wages for College paid retirement plans. It will be counted as earned income for W-2 purposes.

### **Interim Positions**

An employee may be appointed to an interim position by the President. Interim appointments shall not exceed two (2) years.

### **Acting Assignment as Executive or Administrator**

An employee may be designated as "acting" by the President. The acting appointment shall not exceed six (6) months unless authorized by the President.

An employee may be assigned a task or project that is beyond the scope of the employee's regular duties.

### **Overlap in Position**

Up to a two (2) month overlap in any position may be allowed in order to facilitate the transition and to provide training for a new employee. Both employees shall receive full benefits during the overlap period.

## **RECLASSIFICATION/ORGANIZATIONAL CHANGES**

When a position is reclassified to a higher or lower salary level or grade, adjustments to salary may be handled in the same manner as a promotion or demotion. Departmental or institutional reorganizations may be recommended and submitted for consideration during the budget process each year. Exceptions to this rule will be determined by the Director of Human Resources and Vice President of Administrative Services & Chief Business Officer, and approved by the President. Requests for reclassifications shall be made using the Request for Reclassification form as provided by Human Resources.

**Promotion:** Occurs when an employee is appointed to a position in a job classification that has a higher pay grade or level. Upon promotion, the employee will receive either an increase in salary to the minimum of the new pay grade/level or the amount an employee would have been eligible for as a new hire; whichever is greater. In any occurrence whereby an employee is assigned to a higher pay grade or level, the promotional increase should be at least ten (10%) percent.

**Demotion:** Occurs when an employee is transferred to a position in a job classification that has a lower pay grade or level. A demotion may be voluntary or involuntary. For voluntary and involuntary demotions, the employee's salary will be reduced by at least ten (10%) unless otherwise determined by the Director of Human Resources and Vice President of Administrative Services & Chief Business Officer and approved by the President. There shall be no salary increase as a result of a demotion. For Classified Staff, the new demoted salary will not exceed the maximum amount of the demoted position's pay grade. When positions are reclassified into a lower pay grade or level and employees are involuntarily moved for non-performance related issues, the employee's salary may remain the same unless otherwise determined by the Director of Human Resources and Vice President of Administrative Services & Chief Business Officer and approved by the President.

**Lateral/Transfer:** Occurs when an employee is reassigned to an established position in a job classification with the same pay grade or level. If the reassignment results in a different job location/department, it shall be deemed a transfer. In either action, there shall be no salary increase or decrease as a result of a lateral or transfer.

**Retitle:** Occurs when the title of an established position is changed. There shall be no salary increase or decrease resulting from the retitling of a position.

## **WORK SCHEDULE**

For full-time Executive, Administrative, Managerial/Professional and Classified employees, the work schedule is generally detailed as 40 hours per week. All employees, unless absent for approved purposes, are required to perform their assigned duties during the designated workdays of the College. The President shall establish a standard work week for all personnel predicated on the needs of the College and may authorize departures from the standard workday/work week.

### **Special Retiree Pay 401a Plan**

Effective November 1, 2000, all employees at time of retirement from the College shall participate in the Special Retiree Pay plan by transferring an IRS-defined amount into a 401a defined contribution account.

The amount transferred into the account is exempt from FICA taxes, and payment of federal withholding taxes is deferred until funds are withdrawn from the plan by the retiree at a later date. If an employee has not reached age 55 or older at the time of separation of service, any funds withdrawn from the 401a account may be subject to a ten (10) percent penalty for early withdrawal in accordance with IRS regulations.

The 401a contribution shall be calculated not to exceed one hundred (100) percent of the total of the employee's salary plus terminal pay up to the maximum allowed by IRS; however, the contribution cannot exceed the amount of the employee's terminal pay. The salary period for calculation will be based on the College's fiscal year (July 1 through June 30).

Complete information about the Special Retiree Pay plan is available in the Human Resources Department.

### **Deferred Retirement Option Program (DROP) - 121.091(13) FS**

The Deferred Retirement Option Program (DROP) is an alternative method for payout of retirement benefits. Any employee who is a vested member of the Florida Retirement System Pension Plan (FRS) and who reaches normal retirement, either by service years or age shall be eligible to participate in DROP.

An employee wishing to elect DROP must provide written notification of intent to their immediate supervisor and Human Resources not less than sixty (60) calendar days prior to the date of DROP retirement.

An employee participating in DROP may elect to be paid for unused annual leave at the employee's current rate of pay, to the extent that the payment does not exceed the maximum payout for annual leave in the TCC Policy Manual. If this payment is less than the maximum, the balance of the employee's unused annual leave shall be paid at termination of employment, not to exceed the maximum payout for annual leave in the TCC Policy Manual.

Annual leave shall be earned during the DROP period, and unpaid annual leave shall be carried forward until used or paid at termination. Annual leave paid at termination shall not be counted in the retirement calculation.

Sick leave shall be earned during the DROP period, and unpaid sick leave shall be carried forward until used or paid at termination. All sick leave allowable per 121.091, F.S. up to a maximum of 480 hours shall be paid at termination at the current hourly rate of the employee. Sick Leave is paid out on a percentage scale as follows:

- 0-3 Years 35%
- 4-6 Years 40%
- 7-9 Years 45%
- 10 Years or more 50%, with a max of 480 hours.

When an employee retires and enters the DROP program, the contribution amount into the 401a will be calculated based on fiscal year salary and terminal pay in increments.

If an employee is participating in the DROP and the retirement incentive, the retirement incentive payout shall occur as outlined in the retirement incentive sections of the Board-approved Salary Schedule.

Complete information about DROP is available in the Human Resources.

### **Retirement Incentive**

If an employee who was hired prior to July 1, 1995, elects to retire within thirty-six (36) months from achievement of normal retirement as defined in 121.091(1), F.S. or 238.07, F.S., the College shall pay up to a maximum of one thousand four hundred forty (1,440) hours of sick leave as allowed by 1012.865(2) (d)(5), F.S. This compensation shall be calculated at the hourly rate of pay at termination.

Any employee not choosing to exercise the above option shall not be eligible for the retirement incentive plan and shall follow the procedures in accordance to the sick leave payout policy as stated in the Policy Manual.

Retirees exercising the retirement incentive shall receive compensation as follows:

- **First payment:** at the time of retirement, a ten percent (10%) incentive shall be paid based on the salary at retirement for those using the retirement incentive option. This incentive will be deposited into the Special Retiree Pay 401a/403(b) plan in accordance with IRS regulations.
- **Second payment:** that portion of the accumulated sick leave hours which represents zero to four hundred eighty (0 - 480) hours with payment made into the Special Retiree Pay 401a plan five (5) months from termination.
- **Third payment:** that portion of the accumulated sick leave hours which represents four hundred eighty-one to nine hundred sixty (481 - 960) hours with payment made into the Special Retiree Pay 401a/403(b) plan twenty-six (26) months from termination.
- **Fourth payment:** that portion of the accumulated sick leave hours which represents nine-hundred and sixty-one to one thousand four hundred forty hours (961 - 1,440) with payment made into the Special Retiree Pay 401a/403(b) plan thirty-nine (39) months from termination.

Anyone wishing to retire must provide written notification of intent to their immediate supervisor and Human Resource Director not less than sixty (60) calendar days prior to the date of retirement in order to participate in the retirement incentive.

Retirees shall have retired per 121.091(1) FS or 238.07, FS and shall have completed seven (7) years of service at the College.

Retirees and prospective retirees shall apply to the appropriate cost center administrator ninety (90) days prior to the term for which they wish to be considered for hire back. A contract shall be for no more than nine (9) credit hours per term for adjunct faculty. An Other Personal Services (OPS) authorization may be for up to forty (40) hours per week. The need to employ a senior adjunct faculty member in any given term is based on the College's need to add course sections beyond those that can be taught by the full-time faculty members. The need to employ a senior OPS staff member is based on the College's need to have work performed beyond that which can be performed by full-time staff.

The retiree shall confirm his/her availability with the appropriate cost center administrator in accordance with the cost center guidelines for such notification by the retiree.

No benefits of a full-time position shall accrue to the senior adjunct faculty or senior OPS employee except those provided in Statute or State Rule. The senior retiree shall perform only those duties normally performed by adjunct faculty or OPS employees.

For senior retirees, the salary shall be established at one point one (1.1) of the rate regular adjunct faculty earn for the degree the individual holds or one point one (1.1) of the appropriate OPS hourly rate.

These employees are non-exempt and covered under the overtime provisions of the FLSA and may work no more than 25 hours a week.

Non-TCC students employed in this category will be subject to the Federal Medicare tax and will be required to contribute to the Alternate FICA Plan. ### **Other Time Limited Provisions**

1. **Timesheet Reporting Period:** The reporting period for OPS and Work-study Students is the same as the reporting period for non-exempt staff as outlined by Appendix C.

Payments may be one time only or multiple payments as determined by the contract.

## **INTRODUCTION**

The Tallahassee Community College's Salary Schedule is established annually pursuant to s.1001.64(18), F.S. The President recommends the Salary Schedule to the College's District Board of Trustees ("Board") at the June Board Meeting and, once adopted, it becomes the sole instrument used to determine employee compensation and supersedes all rules, handbooks and other policies. The Salary Schedule is not intended to create and/or be interpreted as a contract of employment nor does the Salary Schedule give employees the right to or an expectancy of continued employment.

## **PURPOSE**

This Salary Schedule is designed to meet the following objectives:

- Ensure compensation actions are administered in a manner to comply with state and federal legal requirements;
- Enhance the College's ability to attract and retain qualified faculty and staff;
- Ensure fair treatment of employees through internal consistency;
- Provide a clear and concise reference for fair compensation decisions;
- Serve as a guide regarding employee salaries so that the compensation structure remains responsive to changes in the marketplace, the organization and funding availability.

## **ACCREDITATION**

Tallahassee Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award the Associate Degree. The Bachelor of Science in Nursing (BSN) degree program is accredited by SACSCOC and the Accreditation Commission for Education in Nursing (ACEN).

## **EQUITY STATEMENT**

Tallahassee Community College is committed to an environment that embraces Diversity and Inclusion, respects the rights of all individuals, provides equal access and equal opportunity, and does not discriminate against any person on the basis of age, color, disability, ethnicity, gender identity, genetic information, marital status, national origin, pregnancy, race, religion, sex, sexual orientation, or veteran status in its programs and activities.

The College has designated Renae Tolson, Director of Business Process Improvement, as the College's Equity Officer and Title IX Coordinator. Ms. Tolson is located in the Administrative Services Suite, room number 239 on the second floor of the Administration Building.

Any student, employee or applicant who believes they have experienced discrimination, sexual misconduct or harassment of any kind should report their concerns to the College's Equity Officer & Title IX Coordinator directly at (850) 201-6074 or [tolsonr@tcc.fl.edu](mailto:tolsonr@tcc.fl.edu) or the Office for Civil Rights of the U.S. Department of Education.

## **GENERAL PROVISIONS**

### **Effective Date**

October 14, 2019

### **Budgeted Personnel Costs**

The budget for salaries and benefits is approved annually by the Board as a major component of the College's Operating Budget. The budgeted costs are based on the annual amount required for each authorized position filled or to be filled. Throughout the year, the President and the Vice President of Administrative Services & Chief Business Officer are responsible for maintaining the salary budget. Funding provisions within this Salary Schedule are subject to the maximum identified by the President. Budgeted compensation for those individuals identified in s.1012.885 and 1012.886, F.S. are considered budgeted from appropriated state funds up to the allowable statutory limit, and any budgeted compensation in excess of said statutory limit considered budgeted proportionally from other college operating revenues sources, such as tuition and fees and other available funds.

### **Salaries**

Salaries established for positions are based on 1.0 full time equivalent (FTE) unless otherwise noted. Salaries are adjusted for .50 or .75 FTE and eligible benefits are prorated as indicated in the College's policy manual.

### **Salary Increases/Changes In Salary**

Salary increases will be determined as part of the annual planning and budgeting process. The President will recommend a salary increase proposal to the Board for approval and will subsequently notify employees of the Board's decision. Salary increases are contingent on availability of funding and are largely dependent upon the allocation of state funds and the College's budget priorities.

Probationary employees are not eligible for salary increases until the first of the following month after non-probationary status is obtained.

### **Maximum of Salary Range**

When an employee reaches the maximum in salary range, a one-time non-recurring pay adjustment (equivalent to the pay increase) may be authorized when a salary increase is approved by the Board. The employee's base rate of pay will remain unchanged. Supplemental payments and payments for instruction, when not part of regular duties, are in addition to regular earnings, and may allow an employee to exceed assigned salary range.

### **Pay Dates**

All College employees shall be paid on a monthly basis. Pay dates for all employees shall be the last College business day (Monday - Friday) of each month, unless otherwise established by the Vice President of Administrative Services & Chief Business Officer.

If an error has been noted in regards to wages, compensation, initial or promotional placement and is discovered, the wages of that employee will be adjusted accordingly. In the case of underpayment, the employee's pay rate will be adjusted in the present year. In the event of an overpayment, the College will collect all monies owed via payroll deduction or through the College's collection process if for a former employee.

### **Addition of Positions and Job Classifications**

Additional job titles, job descriptions and classifications may be developed as needed based upon the recommendation of the Executive Vice President & Provost or appropriate Vice President and Human Resources, with approval from the President. It is not necessary for the Board to approve new job titles, job descriptions and classifications.

### **Contracts and Grants Personnel**

The College shall adhere to the established classification plan, salary schedules, and appointment procedures when appointing grant personnel. Exceptions to the College's standard practices must be recommended by the Director of Financial Planning and Sponsored Programs, Vice President of Administrative Services & Chief Business Officer, Human Resources Director and approved by the President, and documented fully in the personnel files of the concerned employees.

When a new position is grant-funded, a job description is developed by the supervisor and Human Resources. Based on the duties, Human Resources places the position at the appropriate classification on the Salary Schedule; the salary may be specified by the grant. College funding beyond the grant period is determined by business necessity and other factors. Employees holding a grant-funded position are required to record grant-funded hours separately from College-funded hours.

The President may designate specific college closure periods that may/may not coincide with the terms of a specific grant. College funding outside of days identified as regular scheduled holidays or regular workdays identified by the grant-funded position is determined by the terms/conditions of the grant, business necessity and/or other controlling factors.

Board approved salary increases for personnel employed under federal/state grants will be granted only if the increases are budgeted in the grants.

**Wireless Allowance Plans**

Approved requests for wireless allowance plans may be made at any time during the fiscal year in Workday. Plans are determined on a year-to-year basis and may be rescinded and/or modified by College management. This allowance does not constitute an increase to base pay and will not be included in the calculation of percentage increases to base pay. It also is not reportable wages for College paid retirement plans. It will be counted as earned income for W-2 purposes.

**Terminal Pay**

Shall be calculated and determined in accordance with College Policy or the controlling terms and conditions of a contract and/or grant.

**Other Provisions**

Under special circumstances, the Board reserves the right to employ individuals in established positions not covered by the salary schedule. Any or all provisions of this schedule may be waived upon appropriate action by the Board. Changes to the approved Salary Schedule may only be made by the Human Resources Director with approval from the President or Vice President of Administrative Services & Chief Business Officer.

To attract and/or retain faculty and staff, the College is authorized to make salary adjustments beyond the normal salary schedules when specifically authorized by the President. During the contract year, the President is authorized to offer special contract terms to qualified faculty and staff as additional incentive for recruitment and/or retention of these employees. In instances where the marketplace salary or promotional placement for certain positions is beyond the maximum of the approved salary range or initial placement on the Salary Schedule, the President may recommend appropriate salary figure. Documentation must be provided to Human Resources by the requesting department that supports the adjustment.

## **SALARY STATEMENT**

The Board determines the President's salary. The President, in turn, determines the salaries of his direct reports. As shown by Appendix B, all Classified Staff positions are assigned to a specific salary range based upon a fully documented assessment and approval from the President and Board.

### **Exempt and Non-Exempt Status**

The federal Fair Labor Standards Act (FLSA) provides guidelines on employment status, child labor, minimum wage, overtime pay and record-keeping requirements. FLSA establishes wage and time requirements, sets federal minimum wage that must be paid and mandates when overtime must be paid. Employees not covered by the overtime provisions of FLSA are considered "exempt" (E), those covered by FLSA overtime provisions are "non-exempt" (NE).

Exempt (E) employees are those individuals who are exempt from the overtime provisions of the FLSA because they meet the requirements of the executive, professional, administrative or computer exemption.

Non-exempt (NE) employees are not exempt from overtime provisions of the FLSA. Such employees are entitled to receive overtime for all hours worked beyond 40 in a workweek. Alternatively, provisions for public employers allow for hours in excess of 40 hours per week to be paid in the form of compensatory leave.

### **Essential Personnel**

In the event of extraordinary situations, the college may suspend normal operations and classes in whole or in part. In such instances, staff designated as essential personnel must fulfill duties to: (1) ensure the continuation of critical College operations; (2) attend to the needs of students and other members of the College community; and (3) protect the College's assets. A non-probationary employee who obtains a higher-level degree after being employed beyond the minimum degree required for their position from a regionally accredited institution, shall be eligible to receive a 2% salary increase to their base pay. Provided funds are available in the departmental budget, the salary increase shall be effective the first month following receipt of the official transcript by Human Resources. It is the employee's responsibility to obtain and submit the official transcript to Human Resources.

Credit for educational attainment shall be granted only when an official transcript reflecting the degree is received in Human Resources. Annual leave shall be earned during the DROP period, and unpaid annual leave shall be carried forward until used or paid at termination. Annual leave paid at termination shall not be counted in the retirement calculation.

Sick leave shall be earned during the DROP period, and unpaid sick leave shall be carried forward until used or paid at termination. All sick leave allowable per 121.091, F.S. up to a maximum of 480 hours shall be paid at termination at the current hourly rate of the employee. Sick Leave is paid out on a percentage scale as follows:

- 0-3 Years 35%
- 4-6 Years 40%
- 7-9 Years 45%
- 10 Years or more 50%, with a max of 480 hours.

When an employee retires and enters the DROP program, the contribution amount into the 401a will be calculated based on fiscal year salary and terminal pay in increments.

If an employee is participating in the DROP and the retirement incentive, the retirement incentive payout shall occur as outlined in the retirement incentive sections of the Board-approved Salary Schedule.

Complete information about DROP is available in the Human Resources.

### **Retirement Incentive**

If an employee who was hired prior to July 1, 1995, elects to retire within thirty-six (36) months from achievement of normal retirement as defined in 121.091(1), F.S. or 238.07, F.S., the College shall pay up to a maximum of one thousand four hundred forty (1,440) hours of sick leave as allowed by 1012.865(2) (d)(5), F.S. This compensation shall be calculated at the hourly rate of pay at termination.

Any employee not choosing to exercise the above option shall not be eligible for the retirement incentive plan and shall follow the procedures in accordance to the sick leave payout policy as stated in the Policy Manual.

Retirees exercising the retirement incentive shall receive compensation as follows:

- **First payment:** at the time of retirement, a ten percent (10%) incentive shall be paid based on the salary at retirement for those using the retirement incentive option. This incentive will be deposited into the Special Retiree Pay 401a/403(b) plan in accordance with IRS regulations.
- **Second payment:** that portion of the accumulated sick leave hours which represents zero to four hundred eighty (0 - 480) hours with payment made into the Special Retiree Pay 401a plan five (5) months from termination.
- **Third payment:** that portion of the accumulated sick leave hours which represents four hundred eighty-one to nine hundred sixty (481 - 960) hours with payment made into the Special Retiree Pay 401a/403(b) plan twenty-six (26) months from termination.
- **Fourth payment:** that portion of the accumulated sick leave hours which represents nine-hundred and sixty-one to one thousand four hundred forty hours (961 - 1,440) with payment made into the Special Retiree Pay 401a/403(b) plan thirty-nine (39) months from termination.

Anyone wishing to retire must provide written notification of intent to their immediate supervisor and Human Resource Director not less than sixty (60) calendar days prior to the date of retirement in order to participate in the retirement incentive.

### **Reemployment Provisions for Retirees**

Retirees shall have retired per 121.091(1) FS or 238.07, FS and shall have completed seven (7) years of service at the College.

Retirees and prospective retirees shall apply to the appropriate cost center administrator ninety (90) days prior to the term for which they wish to be considered for hire back. A contract shall be for no more than nine (9) credit hours per term for adjunct faculty. An Other Personal Services (OPS) authorization may be for up to forty (40) hours per week. The need to employ a senior adjunct faculty member in any given term is based on the College's need to add course sections beyond those that can be taught by the full-time faculty members. The need to employ a senior OPS staff member is based on the College's need to have work performed beyond that which can be performed by full-time staff.

The retiree shall confirm his/her availability with the appropriate cost center administrator in accordance with the cost center guidelines for such notification by the retiree.

No benefits of a full-time position shall accrue to the senior adjunct faculty or senior OPS employee except those provided in Statute or State Rule. The senior retiree shall perform only those duties normally performed by adjunct faculty or OPS employees.

For senior retirees, the salary shall be established at one point one (1.1) of the rate regular adjunct faculty earn for the degree the individual holds or one point one (1.1) of the appropriate OPS hourly rate.

## **TIME LIMITED EMPLOYEES**

### **Other Personal Services (OPS)**

Hourly employees are hired to fill temporary positions created to accomplish a specific task within a specific time. These employees work on an "as needed" or "available funds" basis and are compensated on an "hours worked" basis only. An hourly employee does not serve on a contractual basis nor does the authorization form for hire constitute a contract. Hourly employees are classified as Other Personal Services (OPS), including Tutors and Work-Study Students. These employees are non-exempt and covered under the overtime provisions of the FLSA and may work no more than 25 hours a week.

Non-TCC students employed in this category will be subject to the Federal Medicare tax and will be required to contribute to the Alternate FICA Plan. After employees work a minimum of 2080 hours, they are subject to combined FICA and Medicare taxes, as mandated by state and federal law, and are eligible for employer contributions in the Florida Retirement System (FRS).

### **Work-study Students**

Student personnel may qualify to work under the Federal College Work-Study (FCWS) program for a specified number of hours as determined by the Financial Aid Office. Work-study students are not eligible to receive employee benefits and are exempt from Social Security and Medicare taxes.

The hourly rate for work-study student employees is \$1.25 above the minimum hourly rate set by the Florida Minimum Wage Act.

### **Other Time Limited Provisions**

1. **Timesheet Reporting Period:** The reporting period for OPS and Work-study Students is the same as the reporting period for non-exempt staff as outlined by Appendix C.
2. **Timesheet Submission:** OPS and Work-study Student employees are to submit timesheets on a weekly basis to their supervisor in order to meet payroll deadlines.

If the timesheet is not turned in to the supervisor by the designated Time and Attendance lockout dates, employee may be required to wait until the next payroll cycle to receive compensation for that reporting period.

### **Professional Services Contract (PSC)**

Providers working as Professional Service Contractors serve the College in a temporary capacity to complete a specific task within a determined period of time, which may be as little as one day to no more than six (6) months. Professional Services Contracts shall not extend beyond six (6) months without approval by the Director of Human Resources and Vice President of Administrative Services & Chief Business Officer. Payments may be one time only or multiple payments as determined by the contract.

### **Contracts & Grants**

Employees working on a contract or grant are considered time limited employees (year-to-year) or as the contract/grant budget allows. Positions in this category are funded by an agency other than the College.
