Sexual Harassment + Education Program or Activity
Sexual Harassment

- Conduct on the basis of sex that satisfies one or more of the following:
  - An employee of the recipient conditioning the provision of an aid, benefit, or service of the recipient on an individual's participation in unwelcome sexual conduct;
  - Unwelcome conduct determined by a reasonable person to be so severe, pervasive AND objectively offensive that it effectively denies a person equal access to the recipient's education program or activity; or
  - "Sexual Assault," "Dating Violence," "Domestic Violence" or "Stalking" as defined in the Clery Act.
**SEXUAL ASSAULT**

**Sexual Assault:** An offense that meets the definition of rape, fondling, incest or statutory rape as used in the FBI's Crime Reporting system. A sex offense is any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.

**Rape:** The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

**Fondling:** The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

**Incest:** Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

**Statutory Rape:** Sexual intercourse with a person who is under the statutory age of consent.
Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be based upon the reporting party's statement with consideration of the following factors:

(i) The length of the relationship

(ii) The type of relationship

(iii) The frequency of interaction between the persons involved in the relationship.

Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
Domestic Violence: A felony or misdemeanor crime of violence committed
- by a current or former spouse or intimate partner of the victim;
- by a person with whom the victim shares a child in common;
- by a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner;
- by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or
- by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.
Stalking: Engaging in a course of conduct directed at a specific person that would cause a reasonable person to

(1) Fear for the person’s safety or the safety of others; or
(2) Suffer substantial emotional distress.

For purposes of this definition:
Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method device, or means follows, monitors, observes, surveils, threatens, or communicates to or about, a person, or interferes with a person’s property.

Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim.
Actual knowledge means notice of sexual harassment or allegations of sexual harassment to a recipient’s Title IX Coordinator or any official of the recipient who has authority to institute corrective measures on behalf of the recipient.
Conduct + Education Program or Activity

IT'S MORE THAN THE BEHAVIOR... MUST EVALUATE LOCATION/JURISDICTION AS WELL
JURISDICTION

Education Program or Activity

- Locations, events, or circumstances (operations)

- institution exercised substantial control
  - over both the respondent AND the context in which the sexual harassment occurs

- Includes any building owned or controlled by student organization that is OFFICIALLY RECOGNIZED by institution
- Includes online sexual harassment but it must be analyzed to determine if it occurs in education program or activity
- Does not create or apply a geographic test, does not draw a line between “off campus” and “on campus,” and does not create a distinction between sexual harassment occurring in person versus online.
Education Program or Activity Continued

- No single factor to determine exercise of substantial control
- Distinguishable from Clery definitions of non-campus building or property
- May require organization to abide by Title IX policies and procedures
- May have to bifurcate conduct
Jurisdiction/Education Program or Activity

Is the Complainant Student/Faculty/Staff (or attempting to be)

- **YES**
- **NO

Does Institution have SUBSTANTIAL CONTROL over RESPONDENT (Student or Employee)

- **YES**

  - Informal Resolution Process
- How to Serve Impartially
  - Avoiding Prejudgment of the Facts

Jeanne Clery Act
CLERY ACT & VIOLENCE AGAINST WOMEN ACT (VAWA)

- VAWA amended the Clery Act to add additional reportable crimes (including Sexual Assault, Dating Violence & Stalking)
- Camus SaVE Act refers to the recent VAWA amendments to the Clery Act = Campus SaVE is the Clery Act
- Enforced by the Department of Education
- Substantial fine $$ per violation and loss of eligibility for federal student aid programs
Requires a prompt, fair and impartial process from the initial investigation to the final result.

This includes a requirement that any officials involved in the process are trained on issues related to dating violence, domestic violence, sexual assault, and stalking.

Additionally, officials must be trained "on how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability."
CLERY AND TITLE IX OVERLAP

Clery Act Geography is not co-extensive with scope of education program or activity under new Title IX regulations

Title IX= building owned or controlled by a student organization that is officially recognized by a post secondary institution vs. Clery = "non campus building or property"
CLERY/VAWA REQUIREMENTS

• You must be "certified" to be an investigator
SERVING IMPARTIALLY-CONFLICTS OF INTEREST, BIAS, RESERVING JUDGMENT
CONFLICTS OF INTEREST / BIAS

- Generally toward Complainants/Respondents
- In a specific case
- Legal Definition of conflict of interest
  - 1: a conflict between the private interests and the official or professional responsibilities of a person in a position of trust
  - 2: a conflict between competing duties (as in an attorney's representation of clients with adverse interests)
"Explicit bias" refers to the attitudes and beliefs we have about a person or group on a conscious level.

Implicit Bias

- "Implicit bias" refers to the attitudes or stereotypes that affect our understanding, actions, and decisions in an unconscious manner.
  - Expressed indirectly
  - Unaware of bias
  - Operates subconsciously
- Example: Assuming that a woman entering a hospital room is a nurse instead of a doctor because of her gender.

TITLE IX INVESTIGATION
During the Investigation:

STAY IN YOUR LANE

- Your role as fact gatherer
- Burden on you to gather information - not on parties to provide it
- Investigating violations of specific policy: not law or policies outside of your charge/responsibility
  - Ex: Discovering a management issue while investigating harassment complaint
During the Investigation:

**SUSPEND YOUR MIND**

- Daily Choice
- Reserve judgments until all facts are gathered
KNOW YOUR POLICIES AND PROCEDURES

- Working knowledge of your policies.
- Use policy consistent language
- Who is the point of contact for complainant/respondent?
- Who is the point of contact re: retaliation?
- What it is the hearing and/or appeal process?

Timeliness

- Policy must designate reasonably prompt timeline
- Interview witnesses as soon as possible
- Unavoidable delays

- Open ended
- Repeat, repeat, repeat
- Circling techniques
- Clarity on timelines/who is involved etc.
- Openings
- Closing questions
- Opportunity to provide clarification after interview
Relevancy

- Regulations do not define relevancy
- Regulations define some things that are not relevant:
  - Treatment unless parties agree
  - Privileged Information
  - Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior unless they are offered to prove that someone other than Respondent committed the sexual harassment, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with the respondent and are offered to prove consent.

Note Taking

- Explain your role as note taker
- Note taker vs. dual investigator
- Use quotations if possible
- Ask for a pause or clarification if necessary
